SPSA

2020-2025

OUR MISSION

The Saskatchewan Polytechnic Students' Association Inc. shall effectively represent and further the interests of its student membership by taking a holistic approach to enhancing the educational experience and quality of campus life at Saskatchewan Polytechnic. The SPSA shall provide superior opportunities, programs, and services for its members and create an atmosphere of unified, accountable leadership, and a culture of acceptance, inclusion and tolerance.

OUR VISION

The Saskatchewan Polytechnic Students' Association strives to be the leader in innovative and progressive approaches to Municipal, Provincial, and National student representation with a strong and unified voice focused on improving access to superior educational opportunities and positive student experiences for its members.

STUDENT ENGAGEMENT

- Encourage the creation of student-led societies and special interest clubs.
- Find new innovative ways for the SPSA General Council to interact with our membership.
- Empower students to increase peer interactions by providing social initiatives and encouraging student's involvement in SPSA activities.

ADVOCACY

- Focus on gaining more involvement on Saskatchewan Polytechnic decision making.
- Build relationships within Saskatchewan Provincial Government including members of Parliament and the Ministry of Advanced Education.
- Work with other student-led groups on both provincial and federal student advocacy issues.

DIVERSITY & INCLUSION

- Ensure that all SPSA Events & Services are inclusive of minority groups.
- Advocate for accessible and safe spaces on campus for student members.
- Advocate for equality and parity for every student member.
